

Fifth Grade Service Club

Would you like to experience the joy of helping others both at school and in the community? If so come join us after school from 3:30-4:30 in the Chatham Park Cafeteria for our monthly meetings. Next meeting is scheduled for Wednesday, February 10, 2010.

We have an exciting year planned! Activities include running a new/gently used book drive for an inner-city school in Philadelphia, assisting in Operation Shoe Box with the 3rd and 4th grade service clubs, beautifying the Chatham Park grounds with plants and potted flowers, making soup and sandwiches for a homeless shelter and then having the opportunity to serve our goodies.

If you are interested in joining the 5th Grade Service Club, please complete and return the bottom half of this form at our next meeting. If you cannot attend, we will accept your form prior to the meeting or at our next meeting or event.

Some of our projects will require walking or carpooling to local sites. Adequate parent volunteer supervision will be needed to assure the safety of our students. If you are able to help out at a meeting or as a driver please indicate below. Please provide us with some important information in the event you would need to be reached. The bottom portion of this form will need to be returned to Mrs. Parkinson.

_____ would like to be a member of the Fifth Grade Service Club at Chatham Park Elementary School. He/she understands the commitment being made and will demonstrate appropriate school behavior and cooperation during meetings and trips.

Student Signature _____

Parent Signature _____

Emergency Contact _____ phone number _____

PARENT: E-mail address to forward service club information when needed:

How will your child get home from school on service club days?

If they may go home with someone else other than parent who is permitted to take he/she home?

PARENTS: your help is very much appreciated to make this club successful. Please check here if you can help“ even just a little bit
