

SCIENCE FAIR T-SHIRT DESIGN CONTEST

ENTRY DEADLINE: FRIDAY, JANUARY 8, 2010

We're holding a T-shirt design contest for the 2010 Chatham Park SCIENCE FAIR. If you'd like to enter, follow the instructions below, and place your design (not folded) in a large envelope marked "Science Fair T-shirt" in the box by the Art Room by Friday, January 8.

Eligibility

All 4th and 5th grade students at Chatham Park are eligible to enter. One design will be chosen for this year's Science Fair T-shirts. Students may submit more than one design, but each has to be on a separate piece of paper.

Tips

- All entries must be in **BLACK INK on WHITE PAPER**. No color, please.
- Simple designs generally look better and are easier to print.
- Use **bold** lines in your design—thin lines do not transfer well to a T-shirt.

Design entries should:

- be no larger than 8 inches x 10 inches, and be vertically oriented.
- include "Chatham Park Science Fair" and "2010" in the design.
- have your name only on the **BACK** of the entry, not in the design.

The winning entry will be chosen based on originality and how well it will look on an actual T-shirt. We reserve the right to slightly alter the chosen design, if printing needs require.

Prizes

The student whose design is chosen will receive a free T-shirt and see his or her winning design displayed on the T-shirts worn by all Science Fair exhibitors, and on all Science Fair program booklets.

Designs will not be returned, but can be picked up when the contest is over. Please contact Ms. Cohan, Deb Graff, or Sharon Sweitzer if you have any questions.
