

THE FOURTH GRADE SERVICE CLUB

WHERE: CAFETERIA

Serve your community * Make some new friends * Have fun!!

The service club is dedicated to serving our community, both near and far, in ways that tap into our talents and interests, while providing valuable experiences for its members. While serving in the club, students will have opportunities to connect with local members in our community through service, to beautify our neighborhoods through outdoor clean-up projects, and to gain experience in leadership through communication with peers and coordination of projects.

Please plan to attend the meeting on Wednesday, November 16 at 3:30 in the cafeteria. Students and parents are welcome. Complete the bottom portion of this permission slip and bring it to the meeting. If you are unable to attend, just send in the form in an envelope marked “4th grade service club or contact Jolie Csernica or Amy Gillard with any questions.

Looking forward to a great year!!!

I give my permission for my child,
_____, **to participate in the 4th grade**
service club.
