

Apple Tree Book Club

All children in grades 1-5 are invited to join the Apple Tree Book Club. This library reading incentive program begins in December and will end on the last school day in April.

Apples with the participating children's names will be hung outside of the library as the children read the required number of books for their grade level.

Apple Tree Sheet	Goal (1-2)	Goal (3-5)
Pink Blossom	10 Books = 10 Total	5 Books = 5 Total
Green Apple	15 Books = 25 Total	5 Books = 10 Total
Yellow Apple	25 Books = 50 Total	5 Books = 15 Total
Red Apple	25 Books = 75 Total	5 Books = 20 Total
Golden Apple	25 Books = 100 Total	5 Books = 25 Total

Parents may help their children keep a list of books read on the Apple Tree Book Club forms. There are five forms to complete; pink blossom, green apple, yellow apple, red apple, and golden apple. Start with the pink blossom sheet today! Each new sheet will be available at the library or online at ChathamParkFamilies.org.

Children in grades 1-2 may list books read to them, as well as those they have read themselves. When students in grades 1-2 read chapter books, three chapters can be recorded on each line. Children in grades 3-5 should read chapter books and each chapter book is considered one book. A book may only be listed one time. The lists, signed by a parent, should be returned to the library so the children's names can be recorded and displayed outside of the library.

Only books read between December and April may be listed.

All forms must be turned in by the last school day in April.

Each child who earns a Golden Apple will receive an invitation to the Golden Apple celebration where he/she will select a book that will be dedicated to the library in his/her name.
