

How to update Parent Information or add your Child's Teacher.

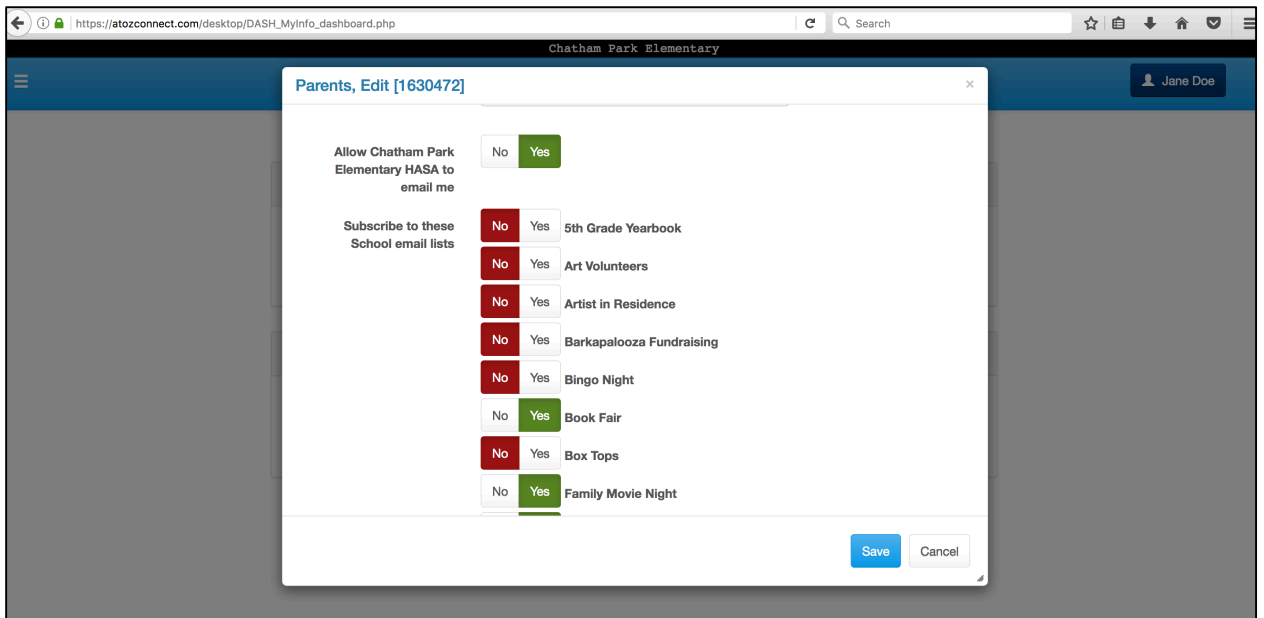

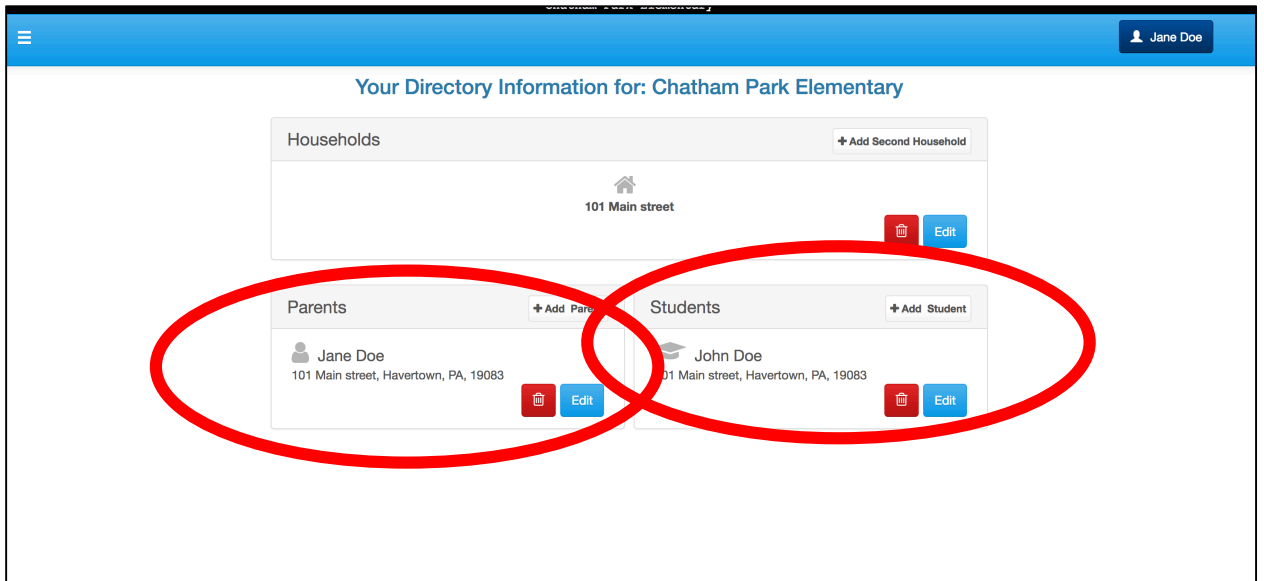

1. Log into www.atozconnect.com and select Chatham Park.
2. Click on the Menu button (the three parallel lines in the top left corner of the screen).

3. Click on My Family Info.

4. To edit Parent info, click on Edit in the Parent section and update contact info or select HASA events in which you are interested in volunteering. Click on Save before exiting.

5. To update your child's teacher, click on Edit in the Student section and select his or her teacher in the drop down box. Click on Save before exiting.

The screenshot shows a web browser window with the URL https://atozconnect.com/desktop/DASH_MyInfo_dashboard.php. The page title is "Chatham Park Elementary". The user is logged in as "Jane Doe". The main content is a modal window titled "Students, Edit [1630473]".
