

**February 9th: Rally in support of public education
7:00 pm Downingtown East HS**

Senator Andy Dinniman, February 1, 2012

Public education has come under increasing attack in Harrisburg and it is time for the citizens of Chester and Montgomery (*and Bucks, Berks, Lehigh and Delaware*) counties to stand up and protect our schools both here and throughout Pennsylvania.

We are asking all those who value public education to come together for a meeting on Thursday, February 9, 2012, at 7 pm at Downingtown East High School, 50 Devon Drive (just off Route 113) in Exton.
