

WILLIS FIFTH GRADE SERVICE CLUB

CHATHAM PARK CAFETERIA

Serve your community * Make some new friends * Have fun!

The Service club is dedicated to serving our community, both near and far, in ways that tap into our talents and interests, while providing valuable experiences for its members. While serving in the club, students will have opportunities to connect with local members in our community through service, to beautify our neighborhoods through outdoor clean-up projects, and to gain experience in leadership through communication with peers and coordination of projects.

Here are some ideas, but the club needs to hear from you!!!

- ❖ Leaf raking for senior citizens
- ❖ Outdoor cleanups of community areas
- ❖ Packing bagged lunches for the homeless
- ❖ Helping a family in need to buy holiday presents
- ❖ Supporting a charity of the student's choosing
- ❖ Participate in recycling programs

Please plan to attend the meeting on Friday - parents are welcome. Complete the bottom portion of this form and bring it to the meeting. If you are unable to attend Friday's meeting, just send in the form in an envelope marked "5th Grade Service Club" or contact Julie Schultz or Claudette Zeiger with any questions.

Looking forward to a great year!!

I give my permission for my child, _____, to participate in the
5th Grade Service Club. (student name)
