

BAILEY PARK BASKETBALL

for girls

The League runs from mid April to early June and consists of at least one game per week with no practices. The emphasis for the younger girls is on learning the fundamentals of the game and learning to play the game. For the older girls, the League affords them an opportunity to continue playing games after their school season has ended. Applications are accepted on a first come basis.

The league will run from April to mid-June. Please have registration in by March 31.
